

Cookie Policy

As is common with most websites, this site uses cookies. A cookie is a small piece of text downloaded to your computer and is designed to improve your browsing experience. This includes, but is not limited to, remembering your site preferences to speed up the process the next time you visit us, ensuring the presented information is relevant to you and to collect anonymous browsing information, such as number of visitors, pages visited and location.

In compliance with GDPR, you will be asked if you agree to us installing cookies on your computer. To experience all the features and functionality of our site, we recommend that you leave cookies 'enabled'.

You can, at any time, disable cookies by adjusting your browser settings. You can find out more by clicking the links below:

Chrome:

<https://support.google.com/accounts/answer/61416?co=GENIE.Platform%3DDesktop&hl=en>

Firefox: <https://support.mozilla.org/en-US/kb/enable-and-disable-cookies-website-preferences>

MS Explorer: <https://support.microsoft.com/en-gb/help/17442/windows-internet-explorer-delete-manage-cookies>

Opera: <https://www.opera.com/help/tutorials/security/privacy/>

Safari: https://support.apple.com/kb/ph21411?locale=en_US

Disabling cookies will affect the way our site works and could prevent certain features and functionality from working. Once you have agreed to enabling cookies, user consent is provided by continued operation including page scrolling and clicking links.

The cookies we set:

Site preferences cookies.

This cookie is used to remember your preferences in particular the relevancy of information and how the site functions. We apply these cookies and re-call this information every time you interact with a page affected by your preferences.

Email newsletters related cookies.

When you subscribe to our newsletter or request further information via our website, cookies may be used to remember you (to avoid sending duplicate information) and to show certain notifications that are only valid to subscribed /unsubscribed users.

Forms related cookies

When you submit data through a form such as those found on our contact pages or comment forms, cookies may be set to remember your user details for future correspondence.

Third Party Cookies

We also use cookies provided by trusted third parties. The following section details which third party cookies you might find on our site.

Google Double click

<https://policies.google.com/technologies/types>

Social Media:

We also use social media buttons and /or plugins on this site that allow you to connect directly with your social network. The following platforms are integrated into our site and we set cookies to enhance your profile or add information to the data they collect.
